ABOUT US

Who we are, and where we ride from

KARPAGAM ACADEMY OF HIGHER EDUCATION

Karpagam Academy of Higher Education (KAHE) is established under Section 3 of the UGC Act, 1956, and approved by the Ministry of Human Resource Development, Government of India. It is led by Dr. R. Vasanthakumar, President of the Karpagam Charity Trust (KCT) — philanthropist, industrialist, entrepreneur and culture promoter.

WHAT IS METAVERSE?

Metaverse is a student Research & Development association established by Karpagam Academy of Higher Education. It brings specialized clubs together under one roof, and its past and present members have contributed to a range of innovative projects and initiatives.

BOLDEST BUILDERS RIDE INTO KARPAGAM FOR 36-HOUR SHOWDOWN

Five trails open. One prize pool. No sleep till the final bell.

WHAT IS HACKSPRINT?

HackSprint 3.0 is the third edition of our 36-hour national-level hackathon, uniting innovative thinkers, problem-solvers and emerging technologists from across the country to build impactful solutions to pressing real-world problems. It is more than a competition: a platform for technical growth that rewards creativity, teamwork and entrepreneurial spirit — and a chance to drive meaningful change through technology.

FIVE TRAILS NOW OPEN

Every outfit must choose one —

WHY SPONSOR US?

Ride with us

I

Amplify your brand presence

Gain recognition and connect with a wide spectrum of people — from emerging innovators and aspiring students to industry veterans.

I

II

Spot extraordinary talent

A hackathon is the perfect arena to identify creative thinkers, explore groundbreaking ideas and collaborate with passionate problem-solvers.

II

III

Test and refine your innovations

Showcase your latest products or features to an engaged audience, gather real-time insights and improve your offerings through participant feedback.

III

IV

Custom problem statement

Get your product built, gather fresh ideas for an existing product, or prototype new extensions for it.

IV
